

PRIVACY ACT

The Federal Family Education Rights and Privacy Act (FERPA) of 1974 permits the Kennewick School District to release certain information known as "directory information," to certain people or institutions, unless parents request, in writing, that such information not be released.

In many cases, requests for this type of information come from news media or the armed forces for recruiting purposes. Directory information may include: 1) student name, address, and telephone number, 2) date and place of birth; 3) participation in officially recognized activities and sports; 4) weight and height of athletic team members; 5) dates of attendance; 6) photographs or other similar information. Photographs may occasionally be taken of students for use in the news media or school district publications.

I am requesting the Kennewick School District not release directory information on my student(s).
